Gift Certificate Terms:

Gift certificates may be used toward the purchase of any sale priced or regular priced or clearance items on our web site. Gift certificates may also be applied toward any applicable shipping costs.

If a customer's order is for more than the gift certificate, they have several options for making full payment: MasterCard, Visa, Discover, American Express, Money Order, or Personal Check.

If a customer's order is for less than the gift certificate, the gift voucher code will be voided after the purchase, but the customer will be Emailed a new gift voucher code for the balance remaining for use on a later order.

Our minimum order amount is \$10. If a customer has a remaining balance of less than \$10 after their initial purchase, she will need to purchase at least \$10 in merchandise to check out using their gift voucher. Payment options for the difference are listed above.

Gift certificates do not expire, but may not be redeemed or returned for a refund or cash.
